WE SHOULD HAVE A...

The login page features a purple header with the app name and a status bar at the top showing the time 12:22. The background is a light-colored pattern with a cup of coffee and a banana. The login form consists of two text input fields for email and password, followed by a purple 'LOGIN' button. A link for 'Not registered yet ? Register Now' is located below the button. The bottom of the screen shows the Android navigation bar.
